

Alabama Health Professionals' Opioid And Pain Management Education

Multidisciplinary and Patient-Centered Approach to Substance Use Disorder
Treatment

ALAHOPE TEAM - Sue Feldman, RN, MEd, PhD; Heather Martin, MSBA; F. Darlene Traffanstedt, MD; J. Matthew (Matt) Hart, JD, CFE

RECORDED WEBINAR

PROGRAM OVERVIEW

An interactive, online training session regarding the importance of taking a multidisciplinary, patient centered approach to substance use disorder treatment. There is no registration fee for this program.

Following registration, participants will have access to course instructions, updates, presentations, recorded webinar, program evaluation, CE certificates and credits, etc. **This recorded program is approved for .25 ACPE Contact Hours, .025 CEUs.** Once credit is awarded, transcripts will be available online within 24 hours on the learner's CPE Monitor profile at <http://nabp.pharmacy/>. **This program is also approved by ABN, ACCME and ABSWE.**

The Office of Alumni and Professional Affairs strongly encourages each participant to check their profile online within 60 days of attendance to ensure credit has been awarded properly. ACPE will not accept CE submissions after 60 days from the live seminar date.

This project is supported by a cooperative agreement with the Centers for Disease Control and Prevention (CDC), being grant number 6NU17CE924964-02-02, Overdose Data to Action, Injury Prevention Control Research and State and Community Based Programs Funding (93.136). The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement by, CDC or U.S. Government.

TARGET AUDIENCE

This knowledge-based program is intended for Pharmacists (ACPE), Physicians (ACCME), Physician Assistants (ACCME), Nurse Practitioners (ANCC), Nurses (ABN), Social Workers (ABSWE), Dentists (BDEA), and Attendance Credit/Certificate for Counselors, Occupational Therapists and Physical Therapists.

LEARNING OBJECTIVES

- Repeat the benefits of taking a multidisciplinary, patient-centered approach to treating people with substance use disorder

ACTIVITY COMPLETION REQUIREMENTS

To complete the steps for CE credit, each attendee will be required to access and review program materials located within the online course, complete a pre-quiz, view the recorded program, complete the post-quiz and program evaluation within the online course, and claim credit within the course. Please contact hsopce@auburn.edu if you have any questions or needs related to this online CE program.

FACULTY DISCLOSURES

Programming in with AUHCOP is in any way involved, whether as sole provider or joint-providership, shall exhibit fair content balance, providing the audience with information of multiple perspectives from which to form a professional opinion. In addition, the fair balance will assure that information provided does not discuss a commercial product. Brand names of all products included in the content may be mentioned for identification purposes only. Presenters in any continuing education offering will acknowledge and disclose any affiliation with the provider and such information will be made available to the audience.

Faculty disclosures will also be included on an introductory slide during the presentation. No presenters have actual or potential conflict of interest in relation to this program.

ACCREDITATION INFORMATION
